SEPTEMBER 2017

Chloe's Birthday!

We had my birthday lunch on Thursday, August 31st!. We had Footer's pizza and animal farm cupcakes. We had Hawaiian and All Meat pizza. There was a birthday chair cover for my chair and I got an ice cream cone filled with treats for school.

My friends and I had a good time celebrating!

Back to School BBQ!

On August 22, 2017 the school had a back to school BBQ! The teachers had a problem with the grill. So we got the big one from Ms. Steffan's. Ms. Steffan became Mrs. Taylor this summer. Ms. Haggard had a kitten that she showed us when we saw her classroom. The teachers made hot dogs and hamburgers. Mom brought some mushroom salad. All of us kids played on the playground. I got popcorn but I didn't eat much so I gave it to my hens.

-Cayla Hanson

On August 22, 2017 we had a barbeque to celebrate the first day of school! We drove to our school and went to the shop, where the BBQ would take place. There was games set up, and most everyone was there. The teachers greeted us at the door. We showed off the pictures we took over the summer, then we lined up to eat. There were burgers, hot dogs, and lemonade. I ate my hot dog, then we played a few games. The night was awesome!

-Claire Steinbeisser

The first day of school we got a cup full of treats and pencils. We talked about rules and took a tour of our newly organized classroom. We got a brand new bookshelf! We also wrote about what we like in school. I am excited for this school year! I can't wait to do art!

-Briar Hanson

First Day of School!

On August 23, 2017 we had our first day of school! The first few minutes we looked over our routine. After that we looked at the new classrooms. When we were done with that, we made a lapbook. After that, we looked at the new and improved lunch room. We also took our pictures with the day of the month that we were born. The first day was a blast! I can't wait for the next year's first day of school.

-Liam and Corbin Steinbeisser

Recycling

And we have started the year out strong!! Thank you to everyone who came all summer and dropped off recycling! Over the summer we collected 1,995 pounds!! This puts us at 40% of our school year goal achieved! This year we would like to recycle 5,000 pounds! That is 500 more than last years total! Thank you for your continued support! We could not do it without our wonderful community!

Teacher Blurp

This year has started off HOT!! We have hit the ground running and are looking forward to a great and busy year. We cannot believe how fast 2017 and this summer has passed! Website is being updated and we are always posting to Facebook to keep the community up to date! Check it out!

Harvest of the Month

We are participating in Harvest of the Month again this year! It was a great success last year! We will be starting with Carrots. If anyone has any in their garden they would donate or let us buy please get in touch with us as we would love locally grown items!

Summer Lovin'

Corbin: This summer I took care of my steer for 4H. We also went on vacation to Bozeman. We did a lot of swimming and I learned how to do the breast stroke, swim with clothes on, and survival swim.

Liam: Mostly this summer I took care of the animals. During the fair I got reserve champion novice showman. About a month later we went to Big Sky. It was fun to go on chair lifts and shoot paint ball guns.

Cayla: I got to spend time with my family this summer. We went fishing and camping. Rafted in Glacier. And swam in rivers. It was fun to celebrate 4th of July there too.

Claire: This summer we went to Medora, ND. We toured around and learned about the town. We also ate at the Pitchfork Fondue.

Briar: My favorite part of summer was swimming and letting my rooster, Merle, chase me around.

Chloe: My favorite part of this summer was having a pool party with my friends.
