On Halloween, we had our Brorson Halloween Party! First our class did a Halloween Zombie escape room. My team won. It involved lots of math. We then had Mrs. Taylor's class come over and we did a Haunted Pumpkin Patch escape room all together.

When we were done, we ate Mrs. Taylor's birthday lunch. We ate a cake that happened to be the little kids' first taste of fondant.

After lunch, we completed the escape room and passed out Halloween treats. Mrs. Taylor announced costume awards. I won most colorful; I was a Monarch butterfly. Chloe and Briar won scariest; they were a skeleton and Black Panther. Titus won most creative, he was wearing a homemade zombie costume. Emily got sweetest; she had an Elsa costume. Graden, Wyatt, and Waylon were dressed as a cruise ship captain, Wolverine, and a Viking.

## ID Naturalist

**November 15th, we did ID Naturalist.**

**Kelli had us do some 'triangle training' by noticing how many things in nature have triangles, like the stamen in a tulip or a type of butterfly with three spots on its wings. Then, we headed outside and found three interesting things each. We shared our observations and drew pictures of our three objects. We had fun getting to go outside and finding interesting things that were similar to triangles.**

## Veteran's Day

**We** honor Veterans Day by thinking of our fallen and active heroes, the men and women of the military. Each day at school we put our flag up and say the Pledge of Allegiance.

## Counseling Corner

Mrs. Karst read two books to us about bullying and being friends. We played a game with a ball, we rolled the ball and read all the answers. I liked the game. So, we should be kind to each other.

## Monthly Munch

For Monthly Munch this month we made chili and cinnamon rolls. It was so much fun cooking. We all love cooking it helps us learn how to cook. We all enjoy it. Our next Monthly Munch will be next month and we are loving to cook.

## STAR STUDENT Briar!

Me and Ms. Haggard made subs and tacos with ice cream and chocolate. Everyone loved it was the best quarter of the year.

## BRORSON BIRTHDAYS

### Mrs. Taylor October 31st

For Mrs. Taylor's birthday we had taco's in boats. They were so good! I loved them! But after them we had a cake. Graden, Wyatt, and Waylon brought it. It was decorated with fondant and frosting. In a witch and Halloween theme. After that we had to do a Halloween escape room I loved the first one I did with Claire. We got out very easily and quickly. Then we ate cupcakes, they had a sign that said "Happy Birthday!" to you. It was so fun.

## Thanksgiving Program

November 19th Brorson had a turkey dinner for the community.

Us kids, we wore turkey hats and sang a couple songs for everyone.

It's fun to see the community come out and bring lots of good food. A good time was had by all.

For the Parade of Trees we did a winter tree theme. First we put on the cotton slide, and then we put fishing line on to it to hold it down. So we also did that with the penguins on too! Then the real fun started. We had to put the small décor on first, but before we did that we put lights on. Then we put little pipe cleaners with bells at the end on. Then the big snowflakes on. It was so much fun for everybody there! - Chloe Nelson

## National STEM/

## STEAM Day

*November 8th,  
2019*

Titus and I put building sets together for STEM. We made a space rover, it was fun. I made a wrestling match. Titus made a gun shooting place. I also made an animal ship. STEAM, was the other class, they made robots.
